

Communication and language.

We will be listening to a range of alien stories and retelling them, We will be answering a range of questions from the stories.

In Rainbow Reading we will be reading the Alien Tea on Planet Zum Zee. We will be looking for rhyming words and talking about the characters in the story.

PSED

In our PSED we will be looking at how special we are. We will be explaining what we can do and talking about ourselves in positive terms. We will be telling the aliens who come to visit how special we are. We will have a visitor in class from the 1st December and we will be telling her what our class rules are and explaining how we follow the rules.

Physical Development.

In PE we will be using the big equipment to move in different ways and learning to climb and jump safely. We will be developing our hand strength by doing funky fingers activities, dough disco and squiggly while you wiggle.

We will be also looking at how to keep ourselves healthy. We will be brushing our teeth in class and learning how to wash our hands to make them nice

Knowledge and understanding of the world.

In knowledge and understanding of the world we will be observing changes around we as the season change and we will be talking about these changes. We will also do a rocket fuel investigation and we will describe what happens to the rockets as we mix the fuel (vinegar

Space and Aliens

Expressive arts

We will be investigating what happens when we mix colours together and using our findings to paint underpants for the aliens in aliens love Underpants.

We will be exploring how to play different percussion instruments and we will be learning our songs for the Christmas play.

Writing

We will be continuing to learn our phonics using song of sounds. We will be investigating rhyming words and creating rhyming strings.

We will be writing speech bubbles about astronauts and making lists for the aliens.

We will continue to practise writing our names.

Maths

We will continue to practise writing our numbers 1-9 and we will also continue to practise ordering the numbers 1-20.

We will be measuring and ordering the capacity of different containers and we will be weighing and comparing
