

Petteril Bank School
Pupil Premium Grant 2016/2017

Pupil premium is additional funding for schools based on the number of children in the school eligible for free school meals. All members of staff, governors and teaching assistants accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within our school environment. Petteril Bank School is committed to 'Narrowing the Gap' between vulnerable pupils and the pupil premium forms a vital part of that process. The governors reserve the right to allocate the pupil premium funding to support any pupils or groups of pupils the school has legitimately identified as being socially disadvantaged.

Provision will be made through:

- Facilitating pupils' access to education
- Facilitating pupils' access to a wide curriculum
- Alternative support and intervention within the school
