

**Literacy:**

**Reading:** The children will be reading and discussing Good-night Mr Tom.

**Writing:** We will be working on a range of writing styles this half term. These will include instruction writing, explanation writing and poetry.

**Speaking:** We will be reading our own poems out to the class.

**R.E:** This half term we will be focusing on Hinduism. We will be looking at the pilgrimage that they undertake.

**Music:** We will be listening to some music from World War 2 and learning the lyrics.

**French:** We will be learning to write down short conversations in French.

**Maths:**

This half term we will be looking at multiplication and division. We will learn and practise different methods and when to use them. We will also be completing a range of cross-curricular maths, including bar charts about the amount of planes shot down in the Battle of Britain.

# Grasmere - Autumn Term 2

## World War 2

**Science:** This half term the children will be looking at forces and how they affect the world around them. They will be recording this information in tables and graphs as well as thinking about ensuring that the experiments we do are fair tests.

**PE:** We will be working on invasion games and gymnastics this term.

**Computing:** The children will use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs

**British Values/Spiritual, moral, social and cultural development:**

The school council meet every month to discuss issues raised in school.

Key worker groups will continue, within which children have the opportunity to raise any concerns they have to adults and other children. We then look at ways in which these problems can be overcome.

**Geography:** The children will be planning a trip to a range of different locations in Europe, taking into account distance and time difference.

**Art:** We will be using different lines and strokes to create a texture in our work. We will also look at showing motion in our art.

**Design Technology:** We will be designing and then making our own model Spitfires this half term.
